

## REMARKS

The Office communication sent June 25, 2009 has been received and reviewed. Clarifying amendments are to be made to the claims as previously set forth. Withdrawn independent claims 11, 22, and 23 have been amended so that, upon rejoinder, examination can proceed expeditiously. Claim 12 has been cancelled, without prejudice. Claims 13 through 15 have been amended to maintain claim dependency in light of the amendments herein. All amendments are made without prejudice or disclaimer. No new matter has been added.

Claims 1 through 3 and 5 through 23 were pending in the application and subjected to a Restriction Requirement. Applicant elects, without traverse, to prosecute the claims of Group II, claims 1 through 3, 5 through 10, 20 and 21. The remaining claims of Group I are withdrawn as being drawn to a non-elected invention, but remain for later rejoinder under 821.04(b).

Respectfully submitted,
